

Criterion 3
Key Indicator 3.2

Research, Innovations and Extension
Innovation Ecosystem

Metric 3.2.1 Institution has created an ecosystem for innovations, Indian Knowledge System (IKS), including awareness about IPR, establishment of IPR cell, Incubation centre and other initiatives for the creation and transfer of knowledge/technology and the outcomes of the same are evident

Appasaheb Birnale college of Pharmacy has well defined research promotion policy, facilities and created an ecosystem through MHRD's Institutional Innovation Council (IIC) to promote innovative research, IPR and Tech transfer. Institute pays prominent attention and puts efforts to inculcate innovative thinking ability in the young students and motivate them to develop research environment.

The extensive emphasis has been given by the Institution for the development of ecosystem for innovation in transferring knowledge. Several professionally expert reputed personalities are continuously interacted through various seminars, workshops for creation of innovative ideas in the mind of students and staff. The institution is facilitating the students and staff with regular competition and events to discuss and support their innovative ideas. The institution is always encouraging the staff for attending the seminar, conference, workshops, convention whether it is national or international.

[Back To Index](#)

**IPR AND INSTITUTE INNOVATION CELL**

Along with teaching and extension activities, an educational institution need to encourage creativity, research and provide conducive environment. A booming research and innovative teaching approach necessitates Intellectual Property Rights (IPR). IPR plays a vital role in providing a competitive edge for an institution. Academic and Research Institutions are mainly concerned with managing projects and research initiatives successfully. The protection of their IP Rights will benefit all stake holders. Intellectual property refers to the property created and owned by a person through the virtue of human intellect. Intellectual property rights shall include patents, trademarks, copy rights, trade secrets and other species such as pharmaceutical process, any new and useful process, machine, life form, article of manufacture, pharmaceutical software, copyrighted work, such things as new or improved chemical compounds, drugs, genetically engineered biological organisms, or unique and innovative uses of existing inventions.

1. To create an awareness about IPR for faculties and students of the Institution.
2. To impart training on future endeavors regarding patent filing processes, procedure of IPR, screen projects, make drafts and file patents to the competing authority.
3. To conduct workshops, seminars and training course on IPR.
4. To promote better understanding of IPR.
5. To encourage faculty members and students to go patentable works.
6. Frame and keep updated IPR Policy of the Institution.
7. Communicate the IPR Policy to the various stakeholders and the Inventors of the Institution, students in general.

[Back To Index](#)

8. Identify prospective inventions, innovations, Service improvement ideas and Copy rights.
9. Study and recommend inventions etc for feasibility of converting to patents/Copy Rights.
10. Compensate the Inventors with due reward for encouraging inventions.
11. To promote technology advancements for improved quality of life and environment protection.
